

Bibliography

Note: Some of the listed authors embrace a rationalist view of the Bible known as Textual Criticism, a position that today rejects the possibility of miracles and of God speaking to people. **I profoundly disagree with this position.** They are included in this bibliography due to their excellent empirical data even though their contextual interpretation of such is questionable at best.

The Anchor Bible Dictionary, Freedman, Noel F., Editor-in-Chief. Doubleday, NY, NY.

Arnold, Clinton E. *Zondervan Illustrated Bible Backgrounds Commentary, New Testament*. Grand Rapids, MI: Zondervan, 2002
